GOT 2 MINS? TELL US WHAT YOU THINK...

If you're a young mum or birthing person in Essex, you should have support that's real, relevant, and made for you.

Complete our short survey and be part of shaping support that actually works...

- Do you live in Essex?
- Did you become pregnant or have a baby before the age of 25?

We want to better understand the challenges faced by young mums/birthing people and to identify the kinds of support that would make a real difference.
